# Deliver Convenience that Keeps Them Coming Back

You only have so much time to eat. Convenience creates the great experience you need to be the number one option for employees, guests, students and residents. Whether your client is a business, a university, a healthcare facility, or an airport, you don't want your cafe popularity to punish guests. To stay popular and be profitable you've got to ramp up fulfillment and throughput.

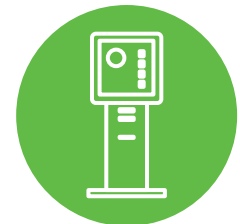

Self-order technology makes it easy. Eliminate the bottleneck with Xenial Kiosk that enables self-order and self-checkout. Use Xenial Mobile Ordering to order, pay and get "food ready" notices from anywhere and avoid lines completely.

Best of all the Xenial food service platform makes the daily and day part menu changes, nutritional tracking and allergy alerts easy to manage and automatic to change so it's upfront and center as ordering decisions are made to match healthy lifestyles with healthy decisions.

Beyond prepared food, Xenial makes micro-markets seamless to incorporate into your offerings with self-checkout. Badge pay for employees, students and residents is easily incorporated into the ordering of food, snacks and convenience items.

Embrace the whole Xenial Managed Food Service solution for a complete win. Xenial Kiosk, Xenial POS, Xenial Digital Signage and Xenial Order Management handles everything through a central cloud-powerful solution. Sync menus, orders, payments and promotions across a single platform with full cloud tracking and reporting.

**Deliver the convenience that builds loyalty and keep them coming back for more, and more and... with Xenial.**
